CARE + TRANSPORT

COVID-19 (Coronavirus) Announcement

**The health and safety of our
passengers is our top
priority...ALWAYS!**

**We are closely adhering to the suggestions for
Coronavirus from the CDC (Center of Disease Control) by:**

- Transporting only one patient/rider at a time
- Providing direct transport from pick-up to drop-off
- Wiping down all high-touch surfaces after every ride
- Ensuring we carry and use gloves, disinfectants, and masks where masks are available
- Making sure clients use their own wheelchair – If our chair is used, we clean after each client
- Avoiding close contact with people who are sick
- Avoiding touching our eyes, nose and mouth
- Staying home when we are sick
- Covering our coughs and sneezes
- Cleaning and disinfecting other frequently touched objects
